

## Caterpillar 3406E DITA Marine Propulsion Engine

1 New Surplus CAT 3406E Marine Propulsion Engine  
 Location: South Carolina

### SUMMARY

IMP supplied a new surplus Caterpillar 3406E Marine propulsion engine to the United States Coast Guard.

### CHALLENGE

The Caterpillar factory no longer produces the 3406E model however the customer required the exact same model currently in use on their other vessels.

### SOLUTION

IMP contacted our global dealer network in order to find the specific engine requested and provided it to customer.
