

Used CAT XQ1250G Natural Gas Power Module

Caterpillar XQ1250G with G3516B Engine
 Location: Lima, Peru

SUMMARY

An industrial bakery requested a peak shaving natural gas generator. Due to the high local rates at peak hours this generator would help the bakery save money.

CHALLENGE

The customer needed equipment before September 01, 2017 due to local regulations.

SOLUTION

IMP provided a low hour XQ1250G-readily available and delivered to customer one week before deadline.

Specs
