

20MW Caterpillar 3516B Generator Sets Supplied for Natural Disaster Relief

CAT 3516B Generator Sets
 Rated at 2000 KW, 60 HZ, 480 V, 1800 RPM
 Location: Brazil

SUMMARY

IMP Corporation had been contacted by multiple businesses looking for power modules to protect their companies' day-to-day operations during the 2022 hurricane season.

CHALLENGE

Since the affected municipalities proactively prepared months ahead of time, those efforts left the market with a limited supply of available modules.

SOLUTION

IMP Corp was able to source 10x Caterpillar 3516B generator sets in Brazil that would be delivered to the US and converted to power modules in time to be installed for hurricane season.
