

## Caterpillar XQ1750 Power Module Supplied to Rental Company Fleet

CAT XQ1750 Generator Set  
Rated at 1600 KW, 60 HZ, 480 V, 1800 RPM  
Location: Las Vegas, NV

### SUMMARY

A rental company in Nevada contacted IMP Corporation to help source an XQ1750 for their inventory fleet.

### CHALLENGE

Though the supply for available rental grade XQ's are not high, keeping with the clients budget and requirement toughened the search.

### SOLUTION

IMP Corporation was able to find an XQ1750 in California, which then helped rule out transportation as a large sum in the overall cost of the unit.
