

## 6 Caterpillar XQ230 Rental Generator Sets

Rental Units  
 Location: North America

### SUMMARY

Corporate dealer needed rental units to satisfy its customer demand for backup, emergency, and supplemental power.

### CHALLENGE

The units needed to reach the customer so they can fill rental orders. Speed to market was essential to the order as well as meeting budget limitations set for the project.

### SOLUTION

IMP had access to units in inventory to meet the customer's need within the required timeframe and budget. Units were delivered to the customer and their respective orders for mobile power were met.
